AUGUST 2010

FROM THE PRESIDENTS CORNER

HI EVERYONE

July 24th was a perfect day for the picnic and to drive the classics. A big Thank You to Jeanne for the beautiful spot on the lake to relax, converse and eat. The food was great. Many took part in a pontoon ride to check out Bald Eagle Lake captained by Don Rohweder.

It is August and summer will soon be gone. I haven't had the time to attend all the shows and cruises I would have liked to. I hope you all have enjoyed using your classic this summer. There is still Culvers in Forest Lake for August!

The social chairman has planned a great cruise on the St. Croix River in September. Check out the social committee section in the newsletter.

Many of the club members are getting ready for a trip to Kool Deadwood Nites and the National Impala Association convention in Spearfish, SD. I have not attended either before and am looking forward to it. I've been told the NIA convention is a low keyed show, shine and cruise of around 50 to 100 cars all Chevys. But Kool Deadwood Nites will consist of many makes and models of originals, classics, street rods and muscle cars. At this point I have only one thing standing in my way. The leaky wheel cylinder in my 62. I'm working on it.

Our next official meeting after summer break will be on September 16, 2010 at Christ the King Lutheran Church. If you can't make the meeting, let your voice be heard by contacting any one of the board members.

GOPHER STATE CHEVYS SOCIAL NEWS

SEPTEMBER SOCIAL EVENT

The car club will meet in Stillwater to take a cruise on the St. Croix River on the Andiamo Riverboat. The date is set for September 12, 2010. It will be a Sunday brunch cruise from 10:30 A.M. - 1:00 P.M. Board at 10:00 A.M. Address for the dock is 525 So. Main St., Stillwater. Everyone is to purchase their tickets ahead of time to be sure to get on. The earlier, the better as the cruises fill up. Cost is \$18.95 for cruise and brunch. Tax and beverages are extra. Phone number for tickets is 651-430-1234. Some of our members have been on this cruise and report that it was fun and the food was good. Once you get your tickets, please call Ron Krueger (651-488-0807) so he knows how many to expect. We will try to sit together. We are unable to reserve spaces ahead of time. Come and enjoy a fun brunch with the club.

FALL CRUISE

There is talk of taking a cruise/leaf run down through Wisconsin, somewhat similar to the one last year. Harley Hansen has volunteered to lead this again this year. No date has been set but probably in October. Stay tuned for more information. We will discuss it at the September club meeting.

PICNIC WRAP-UP

What can we say about the great picnic the club just had. The weather was as perfect as we could ask for. Moderate temperatures, light breeze, no mosquitoes. Also the location was terrific. Jeanne Sieleni was the perfect hostess and her home was the ideal location. Most in attendance (30 of us) went on a pontoon ride with Captain Don Rohweder at the helm. There was delicious food, good conversation, a bonfire, smores and door prizes. All in all a very enjoyable time. Thanks to Jeanne, Gigi, Nan and Butch, and Jeanette and Ron for getting it all put together and ready and to everyone who helped tear down and clean-up. We appreciate all the work it takes to put this on at a private home.

MEMBERSHIP MEETING MINUTES

There was no July Membership meeting, thus there are no minutes for this month's Newsletter. There will be no August General Membership meeting but we will resume meetings Thursday, September 16, 7:00 PM at Christ the King Church, 1900 Seventh Street NW, New Brighton.

HARLEY'S CORNER

Thanks to all the Club members that helped with the East Bethel Booster Day car show. The East Bethel Senior dignitaries enjoyed their rides in the parade in the convertibles and especially thank Nancy and Butch Haynes, Jeanne Sieleni, Tom Masso and Don Rohweder for providing the cars. Also Ed Grieman and his John Deere tractor for pulling the people wagon around all day. A "Great Job" by everyone.

I am gathering a list of people going to the National Impala event in Spearfish and Deadwood South Dakota in August. We will be leaving on August 22 and the activities are from August 23 - 29th.

On July 18, Cal Kamholz and I went to the Moose Lake Car Show to return the visit from GSC member Butch Thompson and boys after they attended the East Bethel show. We were escorted around by Greg Sarvella, another GSC member, who now lives in Moose Lake. Another good time had by all.....

Life Thoughts from Ducky

Don't argue with an idiot; people watching may not be able to tell the difference.

I signed up for an exercise class and was told to wear loose fitting clothing. If I HAD any loose fitting clothing, I wouldn't have signed up in the first place!

And remember:

Life is like a roll of toilet paper.

The closer it gets to the end, the faster it goes.

Thanks to Scott Munson for these tidbits to make life easier to enjoy.
