NEWSLETTER - Norm Wells reported receiving an email from Jody Anderson containing their NIA snapshot. It is informing people of what goes on at NIA. Do we want to include it in our newsletter? It was decided not to include it. Norm will send in the new 2012 officer list and Gopher State Chevy logo to MSRA to be published in their book.

OLD BUSINESS

Tom Masso thanked everyone who contributed to his fundraiser, the Nomadic Chameleon Mission. Gopher State contributed \$100 and other members bought raffle tickets for a quilt. Tom and Sue matched some of the donations and in all he raised \$1000.

NEW BUSINESS

Denny mentioned the Music City Car Show in Nashville on July 12th-15th. It is being presented by state club reps with some input from Ecklers. We as a club might have some people interested in attending this event.

Ecklers membership and insurance is due. It was decided to renew for 2012 for \$200. Pat Wells will fill out papers and get that sent in.

Denny mentioned that Eric Engels is unable to do the newsletter next year.

Denny received information from Streetside Auto to place their ad on our website as a link to sell automotive parts and accessories. We will look into it some more and decide later.

Linda West has volunteered to do the newsletter with Denny's help in exchange for Denny stepping down as President. Harley Hansen stepped up and volunteered to be President. All

were in favor of this action and new officers were voted on and accepted. So here is the official list of officers for 2012:

Harley Hansen - President

Pete Severson - Vice-President

Ceil Severson and Pat Wells - Secretary co-chairs

Jeanne Seileni - Treasurer

The meeting place for the club was discussed again with still no solution. We discussed meeting in peoples homes, back at the church, stay at Bobby and Steves or what. No one can agree on one spot. More discussion will continue in the new year.

PLEASE NOTE::: It was decided to change the meeting night beginning in February. We will move the meeting from the 3rd Thursday to the 2nd Tuesday of the month. Motion passed. Upcoming meetings will be at Bobby and Steves on Thursday Jan. 19, 2012 and Feb. 14, 2012. Stay tuned for any new information in the next newsletter.

Meeting was adjourned at 8:03 PM.

Respectfully submitted,
Pat Wells, Secretary
